GALLI

Editorial

After a quiet September on the GOSPYA scene, October looks like being the most exciting month of the year. First, we have the Deb Ball. No more need be said.

If you have time between those functions and worrying about the blooming Jacarandas, you may care to read this month's edition of GOSPYA News. This month, we have all the regulars, reports, events, people, etc. Those of you who were wondering what happened to Andrew may be gratified to hear that he was finally found (Refer to Mission: Den Ginete).

Best of luck in the exams next month. The next issue will be a mini-newsletter, followed by our usual super-duper end-of-year December whiz-bang wrapup.

ZAM....AND....FIONA....

Hello to all Gospyans out there. Its been a busy time on the sports scene lately as the business end of the season for most sports moves in. We were there to get a complete wrap of all the information for all the eager sports fans who read these pages from every edition of Gospyan News. Lets go to the press.

NETBALL:

Well the girls didn't perform all that well in the last season as we all know. So they have made some changes to there game plan. Firstly, the girls are now playing indoor netball. Their venue each week is The Cricket Wicket indoor cricket centre at Mansfield, and they play each Monday night. So far they have had mixed success in the new competition, however they are enjoying themselves which is the main thing. If anyone would like to come along and watch I am sure the girls would be happy to tell you the game time for that week.

SOCCER:

As you all know the soccer season has all but nearly disappeared for this year. Our boys performed well throughout the season, but it was not good enough to give them the premiership they wanted. Each of the players worked hard for the team and Gospya wishes to congradulate you on your fine efforts. We wish all the team the best of luck next year when I am sure they will come out strong and determined to win.

BASKETBALL:

The very successful second Gospyan basketball team made the finals of their competition this season. After winning the preliminary final, they won by forfeit, they entered the grand final full of confidence. It was, however, to be an overwhelming team who dominated the game, and Gospya was unfortunately not the dominating team. In a very one sided game our team lost to the better side, but the boys played hard to the end. Gospya extends its congradulations on the great season played by the team, and hopes that they will be rewarded with a grand final win next season.

The new season has started for the first Gospyan team and the second team will recomence shortly. As soon as the game times for both teams comes to hand they will be printed.

VOLLEYBALL:

It is amazing to see that volleyball has still remained a draw card for Gospya on Monday nights. Numbers still seem to roll up each week for this event and I believe it is now cemented as an event in the Gospyan calander. For those who don't know when volleyball is on, where have you been for the past year, games are played on Monday nights at Mansfield State High School, starting at 7.30 pm .

TOUCH FOOTBALL:

Football Season has arrived and as usual a dominating all-winning-star team has been picked to play this season. To all the boys - good luck from us all. The boys play each Monday night and support would be an asset to the team spirit.

That about wraps up our report for this edition. With summer moving ever so closer, new sports will undoubtedly take off for the season. We will keep you posted of all the sports events in the Gospyan calander, and inform you of all the information you need to know.
